The purpose of this Community Meeting is to present information and to hear neighbors' comments/feedback about the proposed rezoning and redevelopment of the property located at 1030 Leigh Avenue, San Jose, 95126. City staff will facilitate this public meeting.

First Community Housing (FCH) has filed with the City of San Jose for a Planned Development Rezoning and Permit (PDC07-083 and PD07-089) for the 0.97-acre property located at the southeast corner of Southwest Expressway and Leigh Avenue in the City of San Jose. The subject site is currently zoned (CP) Commercial Pedestrian and designated Commercial/Mixed Use under the General Plan.

FCH proposes to build a sustainable, transit-oriented, mixed-use development consisting of 64 units of affordable rental housing for seniors over 7,000 square feet of ground-floor dental offices. Recognized as a national leader in green affordable housing development, FCH will incorporate a wide range of green building features into the Leigh Avenue project, including measures to conserve energy and water and maintain healthy indoor air quality for building occupants. All residents will receive free annual VTA Eco Passes for unlimited use of the County's light rail and bus system.
